

## **Reseller License for resellproductsnow.com**

1. This reseller license only allows the license holder to resell the offer made on **resellproductsnow.com**

2. Access to the members area for **resellproductsnow.com** can be given away by the purchaser to a member of their household or to a friend.

However please note that the more access you give away the less sales you will make! You can also sell discounted access if you'd like.

**To your success,**
